

RESOURCE ROOM
Tabernacle School

Dear Parents,

The Resource Room at Tabernacle School is available to aid incoming and continuing students who need added academic support. We help students from kindergarten through junior high in various academic arenas, including **tutoring**, remedial as well as support for current studies; **guided study**; and **personalized student curriculum**, which may involve some modification of course goals. The cost of Resource is \$900 a year, broken into nine monthly payments of \$100 each. Please note that this is not a monthly fee, but a yearly fee, broken down monthly.

If your child has a history of academic struggle or a learning disability which makes certain areas of study difficult for him/her, please consider enrolling him/her in our Resource program. Often we wait until that student begins to fail when we might have prevented it by helping them sooner.

If you wish to enroll your son or daughter in the Resource program, **please fill out the bottom portion of this letter and return it to school.** Parents who want their children to continue in the program need to re-enroll, as well. I will call you when I receive your request and we can discuss your child's particular needs, arrange for any extra testing needed, and see if our program will fit your child's needs.

Sincerely,

Mary Lou McCauley
Resource Director
