Parents,

To log into Renweb you will need the school code and an email account registered with Tabernacle School. Please provide your email address to the front office before attempting to login to Renweb.

The School District Code is:

tcs-ca

The user name will be your email address as given to the school.

You will pick your own password. The first time you login to Renweb - click on the Create New ParentsWeb Account.

If you forgot your password you can click on the Forgot User Name/Password? link. If you need to change your email address or aren’t sure which address you gave to the school, please contact the front office.
